

GO DOWN MOSES

Go down Moses
Way down in Egypt land
Tell all pharaohs to
Let my people go!

When Israel was in Egypt land
Let my people go!
Oppressed so hard they could not stand
Let my people go!

So the God said: **go down, Moses**
Way down in Egypt land
Tell all pharaohs to
Let my people go!

So Moses went to Egypt land
Let my people go!
He made old Pharaoh understand
Let my people go!

Yes the Lord said: **go down, Moses**
Way down in Egypt land
Tell all pharaohs to
Let my people go!

Thus spoke the Lord, bold Moses said,
Let my people go!
If not I'll smite your firstborn dead
Let my people go!

Cuz the Lord said: **go down, Moses**
Way down in Egypt land
Tell all pharaoes to
Let my people go!

Oh oh oh oh
Way down in Egypt land
Tell all pharaoes to
Let my people go!

SLEIGH RIDE

Just hear those sleigh bells jingle-ing, ring-ting tingle-ing,
too

Come on, it's lovely weather for a sleigh ride together with
you

Outside the snow is falling and friends are calling "yoo hoo"

Come on, it's lovely weather for a sleigh ride together with
you

Our cheeks are nice and rosy and comfy cozy are we

We're snuggled up together like two birds of a feather
would be

Let's take that road before us and sing a chorus or two

Come on it's lovely weather for a sleigh ride together with
you

Our cheeks are nice and rosy and comfy cozy are we

We're snuggled up together like two birds of a feather
would be

Let's take that road before us and sing a chorus or two

Come on it's lovely weather for a sleigh ride together with you

DO THEY KNOW IT'S CHRISTMAS

It's Christmastime, there's no need to be afraid
At Christmastime, we let in light and we banish shade
And in our world of plenty we can spread a smile of joy
Throw your arms around the world at Christmastime
But say a prayer, to pray for the other ones
At Christmastime
It's hard, but when you're having fun
There's a world outside your window
And it's a world of dread and fear
Where the only water flowing is the bitter sting of tears
And the Christmas bells that ring there
Are the clanging chimes of doom
Well tonight thank God it's them instead of you
And there won't be snow in Africa this Christmastime
The greatest gift they'll get this year is life
Oh, where nothing ever grows, no rain or rivers flow
Do they know it's Christmastime at all?
Here's to you, raise a glass for ev'ryone
Here's to them, underneath that burning sun
Do they know it's Christmastime at all?
Feed the world
Feed the world
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again

Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again
Feed the world
Let them know it's Christmastime again

LAST CHRISTMAS

**Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special**
**Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special**
Once bitten and twice shy
I keep my distance
But you still catch my eye
Tell me, baby
Do you recognize me?
Well, it's been a year
It doesn't surprise me
(Merry Christmas!) I wrapped it up and sent it
With a note saying, "I love you, " I meant it
Now, I know what a fool I've been
But if you kissed me now
I know you'd fool me again
**Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears**

I'll give it to someone special

Last Christmas,...

HEAL THE WORLD

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry

In this place you'll feel
There's no hurt or sorrow
There are ways to get there
If you care enough for the living
Make a little space
Make a better place

Heal the world

Make it a better place

For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make it a better place

For you and for me

If you want to know why

There's love that cannot lie

Love is strong

It only cares of joyful giving

If we try we shall see

In this bliss we cannot feel

Fear of dread

We stop existing and start living
The it feels that always
Love's enough for us growing
So make a better world
Make a better place
Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me
And the dream we were conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth, crucify its soul
Though it's plain to see
This world is heavenly
Be god's glow
We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we cry happy tears
See the nations turn their swords into plowshares
We could really get there
If you cared enough for the living
Make a little space
To make a better place
Heal the world

**Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me
There are people dying
If you care enough for the living
Make a better place for you and for me
You and for me**
